Review of Day 2

2 Steps

- Identified the trends affecting your chosen opportunity
- Based on the opportunity chosen and the trends affecting it, identified 3 ideas to realize the opportunity

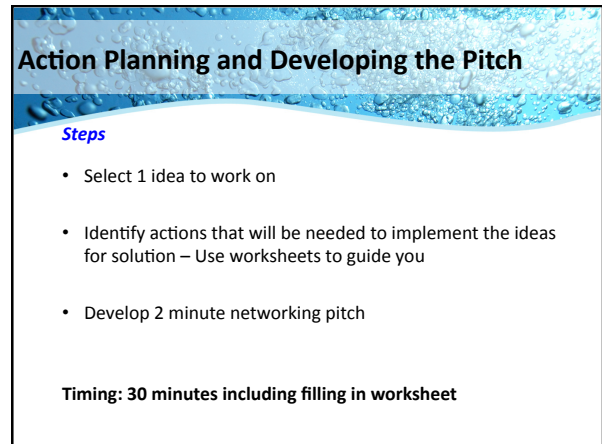

Planning for the Future

Purpose:
To outline the key actions needed to implement the ideas for solution, to pitch the ideas to the whole group and receive further support

4 Steps

- Select one idea to progress
- Actions
- Networking: Pitch and Post
- Networking: Reviewing feedback

Action Planning and Developing the Pitch

Steps

- Select 1 idea to work on
- Identify actions that will be needed to implement the ideas for solution – Use worksheets to guide you
- Develop 2 minute networking pitch

Timing: 30 minutes including filling in worksheet

What actions will be needed to implement the ideas for solution?

Questions:

- What is needed to move the process forward?
- Who needs to be involved?
- What is the timeframe?
- What are the milestones?
- What are the next steps?

Complete the worksheet

Power of the Network: Pitch and Post

Steps

- Each group makes their pitch - **2 minutes per group** - No more!
- Other participants listen and write up Post It notes that could be helpful. For example:
 - Related projects and research?
 - Contacts?
 - Sources of funding!
- After all groups have pitched, deliver Post It notes

Power of the Network: Reviewing Feedback

Steps

- Get tea or coffee
- Go back into groups
- Review information presented on the Post It notes
- Identify and write up actions to take the project forward

Timing: 30 minutes including filling in the worksheet

Concluding

Steps

- In groups:
 - What were the highlights and takeaways for you from the 3 strategic Thinking sessions?
 - What could be the implications for the Leopold network?
 - How could we take it forward?

Timing: 15 minutes

- Feedback to whole group (2 minutes per group)
- Discussion
- Closing
